

Turtle Ridge Membership Program

Included with your \$25 membership:

- Car window decal
- Orphan animal postcard
- Newsletter

Turtle Ridge Wildlife Center is a local non-profit organization whose purpose is to rescue and rehabilitate wildlife to release them to their natural habitat. The Turtle Ridge Membership Program allows Turtle Ridge to continue serving the local wildlife in Oregon as well as provide ongoing community outreach and educational activities.

Without your help, too many of our native wildlife won't get a second chance. If we don't step up to help, who will? Would you please show your support for them by joining the Turtle Ridge membership program?

Thank you for your help,

Mary Bliss
